Swap Meet a Success!

April 2nd CCGF held the event. Wheeling and dealing was the order of the day. At the heart of the event was Chairman Rich Rigsby (pictured in orange below). Rich worked tirelessly and it showed as the event was a fabulous success! Pictures from event.

The Easter Bunny came to the Club!

This right of passage was all brought to the little happy faces by Andy Spenlau, Chairman of the festivities. The Easter Egg Hunt was April 10 at noon.

Hope everyone had a good time ... :)

Your Name is Important

If you can't put a name with a face you're not the only one. We say hello "buddy," how's it going? Never knowing their name or not wanting to make a mistake (Mark not Mike). Or, forgetting it as soon as we move onto the next shiny object.

Come to a meeting, go to an event or send a picture in an email (ccgnews@gmail.com) of you at the club **with your name** and we'll get it posted.

Special Note

It is with great sadness we share the following;

John Hall, passed away Friday, April 1st., 2022. Unfortunately the photo sent was not recognized by the programs available. If you have any pictures of Mr. Hall, and a note of what's going on, we'd love to post next month.

(please send to ccgfnews@gmail.com attention Frank Lowden)

Fishing Derby Opportunities

Dan McGuinness, like the Energizer Bunny, never stops.

He has been working with two local support organizations, the VA in Fort Thomas and the Handicap Fishing Derby, promoting a day for patients to fish our lakes and enjoy the grounds. He will follow up with more details later. Please look forward to lending a hand to Dan and these heroes.

May 14th is the Special Olympics Fishing Derby and we need help. Dan will put you to work. You WILL have such a great time and feel so fulfilled at the end of the day you'll do it again next year.

The Handicap Fishing Derby is also in need of volunteers.

New and Improved Lights

By Tom Greiser

These are the Wednesday night trap shooters competing in a game of "Protection", illuminated with the new LED lighting system donated by Scott Deinlein, in memory of his grandfather **Gill Fessler**. Both Trap 1 and Trap 2 have been outfitted with new LED floodlights.
